

Manager BOOTCAMP

ENERGIZE • EMPATHIZE • INSPIRE • COACH

Key Outcomes

Managers who show they care, help others grow and achieve top results.

- **Cognitive Capability**
Managers coach others to take initiative for solving problems through collaboration, creativity, and innovation.
- **Social Skills**
Managers build relationships by listening, communicating clearly, showing empathy, and developing and coaching for success.
- **Emotional Intelligence**
Managers learn to regulate their emotions for positive outcomes, to minimize stress, and to increase morale, engagement, and productivity within their organizations.
- **Resilience & Adaptability**
Managers help others adapt quickly and stay engaged and productive during change, uncertainty, and complexity.

ACCELERATE & ENHANCE MANAGERS ABILITY TO LEAD PEOPLE

Managers: Newly Hired • New in Role • Experienced

Managers, with different levels of experience, come together, in-person to learn with each other and from each other. Managers will learn how to get better results through others by using new, proven models and techniques with not only with their direct reports, but also with their leadership, other managers, suppliers, and partners.

During this Manager BootCamp, in-the-moment coaching, dynamic facilitation and peer consulting ensure managers engage in meaningful dialogue, share ideas around real challenges, and explore, practice, and apply the new mindsets, behaviors, and skills critical for Manager success today and tomorrow.
